## Summary

I am a blockchain and Javascript full stack developer with 10 years of rich experience.

I love coding and debugging. If my product is not like what I expected, I can't sleep on it.

My life guidance lies in "Prepare much and Win at a go".

My motto in development follows PP standards, which means perfectness and punctuality. I am a great blockchain and cryptocurrency enthusiast and a good problem solver at the same time.

## Experience

### Blockchain & Fullstack Developer

Self Employed

Jul 2020 - Present (2 years 4 months +)
